National Standards
The Community Foundation Serving Howard, Carroll and Clinton Counties has achieved National Standards for U.S. Community Foundations accreditation. The standards are administered through the National Association of Council on Foundations to verify that foundations demonstrate accountability, transparency and continuous self-improvement.
Our Mission
The mission of the Community Foundation Serving Howard, Carroll and Clinton Counties is to connect people, resources and causes to produce a positive and sustainable change in the communities we serve.

Vision
The Community Foundation is recognized by the community to be an effective, credible and influential broad-based organization. It serves the community as a catalyst dedicated to improving the quality of life of our people through the permanent stewardship of financial gifts placed in its care.

As the number of people touched by the Foundation continues to rise, this statement of “vision” is coming ever closer to reality.

Core Values
To express the underlying philosophy of the Foundation, the board drafted a series of “core values” statements that reflect the fundamental philosophy of its operation. These values provide guidance to both paid staff and volunteers as we interact with donors, grantees and the community.

Charitable Dreams for Community Needs

Community
The Foundation will improve the quality of life through leadership by building endowments directed toward meeting the needs of the community.

Stewardship
The Foundation will prudently manage the resources entrusted to it, maintaining confidentiality and seeking growth of resources.

Integrity
The Foundation, its directors and staff will hold themselves to the highest ethical standards and strive to achieve the best business practices.

Service to Donors
The Foundation offers opportunities to donors to improve the quality of life in their community by fulfilling their charitable goals.

Open Door
The Foundation will be available to all segments of our defined community.
Since its beginnings, the Community Foundation Serving Howard, Carroll and Clinton Counties has grown to house 447 funds with assets of over $66 million. This growth and the recent leadership transition presented a good opportunity for the Foundation to initiate and implement a new strategic plan. We wanted to continue to move forward in our efforts to produce a positive and sustainable change in the communities we serve.

The results of the strategic plan will guide our efforts as we move towards 2025. For our donors, we will strive to offer high-quality and responsive service. Staff and board members are available to participate in conversations about how the Foundation can help donors achieve their charitable goals. We recognize that ideas grow and evolve as life unfolds and we want to align with the interests of donors. This time spent strengthening relationships will help to build a reservoir of resources available through grantmaking that will improve our communities.

The Foundation has a strong base to build on and we are looking for ways to serve as a catalyst dedicated to improving the quality of life in our communities. Our conversations with donors will help to develop a knowledge base about key community issues and will build leadership insight that supports their charitable goals.

Another key focus is our role as a grantmaker. The Foundation will continue to evaluate community needs, and seek ways to support a diverse set of nonprofit organizations and programs that make a measurable difference.

Strategic planning work is never done. As we continue to learn, we will look for ways to adapt. While this work is underway, our commitment to our core values will not change. We will strive to achieve the best business practices with integrity and prudently manage the resources entrusted to us.

I look forward to meeting more of you and learning about your charitable dreams.

Gregory P. Aaron, President

Hilda Burns: Dedicated to Serving the Community

Since 1994, Hilda Burns diligently served the community through her dedicated service to the Community Foundation Serving Howard, Carroll and Clinton Counties. This legacy of service ended when Hilda retired as president in 2017.

Her service began as a finance/accounting administrator for the Community Foundation and the United Way of Howard County. At that time, the Foundation served Howard County and had 18 funds with assets of about $500,000. When she announced her retirement in June, the three counties had more than 447 funds and assets of $63.6 million. In 1998, Hilda became the vice president and was named president in 2012.

To commemorate her dedication and years of service, many well-wishers shared special memories at a celebration event honoring her legacy. In a video tribute, Hilda received recognition for being the foundation of the organization and for building it from the ground up. Her many other gifts that were noted included trustworthiness, intelligence, kindness and stewardship.

Hilda’s years of service brought a focus to the Foundation as a catalyst for improving the quality of life for people now and for future generations.

Ways to Give

The Community Foundation is a flexible vehicle for charitable gifts of all sizes from public, corporate, foundation or private sources. Both large and small gifts can take a variety of forms; depending on tax and estate planning priorities. Gifts can be made with:

- Cash
- Appreciated Securities
- Real Estate
- IRA/Charitable Rollover
- Bequests
- Mutual Funds
- Grain
- Life Insurance

IRA, 401(k) or Other Qualified Retirement Plan

Planned giving is as easy as designating a percentage of your IRA, 401(k) or other qualified retirement plan to the Foundation as a beneficiary.

Other Planned Gifts

Charitable Gift Annuity

This is a contract between the donor and the Foundation. In exchange for the donor’s irrevocable gift, the Foundation agrees to pay one or two annuitants the donor names a fixed sum each year for life. The payments are guaranteed by the Foundation.

Retained Life Estate

This allows donors to give their home or farm to the Foundation, while retaining the right to live in it for the rest of their lives. At the end of the donor’s life, the property is sold and the proceeds are used to establish a fund that carries out the donor’s charitable wishes.

Types of Funds

Community Endowment Funds

Because community needs will change, donors have established community endowment funds to address these needs now and forever. Donors entrust the Foundation with the selection of the most needed programs to receive grant funding based on a competitive process.

Donor-Advised Funds

Donors are involved in the grantmaking by recommending which qualified charitable organizations should receive grants from their advised fund. These funds enable donors to address a wide variety of issues as their charitable interests change.

Designated/Agency Funds

Donors identify one or more charitable organizations to receive an income stream forever.

Non-Permanent Funds

These funds are designated for short-term programs or special projects.

Field of Interest Funds

Donors can support a broadly defined area, such as the arts, youth, health and more. The Foundation awards funding through a competitive process to the most needed programs within the donor’s area of interest of the fund.

Operating Endowment Funds

Donors support the work of the Community Foundation through their gifts to operating endowment funds, which provides support to the operating budget of the Foundation forever.

Scholarship Funds

Donors may customize a scholarship fund to provide educational opportunities for graduates of certain schools, for studies in specific fields or for programs at particular institutions of higher education.

Charitable Lead Trust

During the trust’s term, the trustee invests the trust’s assets and pays the income to the Foundation for the purpose the donor designates. When the trust term ends, assets are distributed to a loved one.

Charitable Remainder Trust

This allows donors to place assets such as cash, securities or real estate in trust, which then invests the asset. The trust provides income to the donor or loved one for life or a term of years. The trust balance goes to the Foundation for a charity of the donor’s choice.

The Legacy Society

The Legacy Society is a very special honorary organization within the Foundation. It recognizes those forward thinking individuals who have remembered a fund within the Foundation in their estate planning or gift planning.

A legacy gift can be made to one or more of the existing funds in the Foundation or can be used to establish a new fund to support the charitable organization of the donor’s choice. There are several ways this can be done. Estate planning vehicles include:

- Beneficiary Designation of IRA & Qualified Retirement Plans
- Charitable Gift Annuities
- Retained Life Estate
- Bequests in Wills
- Charitable Remainder Trust
- CHARITABLE LEAD TRUST
- Life Insurance
- IRA & QUALIFIED RETIREMENT PLANS
- CHARITABLE REMAINDER TRUST
- CHARITABLE GIFT ANNUITIES
- LIFE ESTATE

You do not have to disclose the amount or nature of your gift to the Foundation to become a member of the Legacy Society. You may also choose to be recognized anonymously.

By giving to the Community Foundation, you can be assured that your gift will exist as a permanent charitable endowment, where only the income from the gift will be used for the purpose you intend.

To learn how you can support your favorite charity for generations to come, contact the Foundation office at (765) 454-7298 or (800) 964-0508 or by e-mail at info@cfhoward.org.

Current Legacy Society members have already taken steps to provide support to the community until the end of time, and we certainly appreciate their level of commitment.

Prairie Creek Park Project Builds Momentum for the Community

With the vision of a strong future, the Clinton County Community Foundation supported the Prairie Creek Park project in Frankfort with a community endowment grant of $250,000. The Prairie Creek Park project offers a collaborative and impactful approach towards economic development for the community.

The park’s facilities include an outdoor amphitheater, public mural, state-of-the-art playground equipment, splash pad and open-air pavilions that will host such events as farmers markets and festivals. The park’s family-oriented setting will strengthen the community and add to the quality of place for residents and visitors.

The Foundation looked at this progressive idea as a way to approach things differently and a way to transform the community to be a place where people want to visit, live and work.

Prairie Creek Park will offer an amenity infrastructure that will be the catalyst towards attracting jobs and a workforce who wants to live in Clinton County. As an enhanced greenspace, the park is designed to become the heartbeat of the community.

Funds to support the project came through the Foundation’s unrestricted community endowment grants program. Funds for this grant were available because donors had the foresight to give through endowed funds that support the ever-changing community needs.

Donors are making an impact by using the Clinton County Community Foundation’s services. Their giving allows Frankfort and Clinton County to GIVE. GROW. and THRIVE.

“We are not yet what we shall be but we are growing towards it.” — Martin Luther
