Two Earn Lilly Scholarship Honors

Rachel Hughes and Katie Runyon will receive full tuition to an accredited public or private nonprofit Indiana university or college of their choice and a $900 yearly stipend for required books and equipment as Howard County 2020 Lilly Endowment Inc. Community Scholars.

Rachel, daughter of Jesslyn Hughes and Shanna Hughes, was class president at Northwestern High School. Her scholastic activities included Student Council, National Honor Society, Spanish Honors Society, and she was a member of the softball and volleyball teams. Rachel’s volunteer activities include Northwestern NYO Drafts, volleyball camp and teaching swim lessons. At a Flawless Christian event, Rachel mentored participants. She is a youth teacher at her church.

Rachel plans to attend Butler University and study actuarial science.

Katie, daughter of Ron and Barbara Runyon, was a member of the National Honor Society and Student Council at Western High School. She participated in choir at the district and state levels, and helped organize pep rallies and fundraisers. Katie volunteers at her church by serving in the food pantry, grocery shopping for people, serving meals and packing Buddy Bags for Western students.

Katie plans to attend Indiana University and study accounting.

“The Lilly Endowment Community Scholarship allows students to be able to focus on academics and not finances,” said Glenn Grundmann, chairman of the Community Foundation of Howard County Scholarship Committee. “The Endowment utilizes the Community Foundation to administer the program as a way to support Indiana’s community foundations.”

Since 1998, Lilly Endowment has funded the Community Scholars program for outstanding students in Indiana. The Community Foundation defined the criteria based on the Endowment’s stated goal to “raise the level of educational attainment in Indiana.”
2020 Scholarship Recipients

Through the Community Foundation of Howard County, 181 scholarships and renewals from 63 scholarship funds have been awarded to Howard County students with an approximate value of $554,253, including the two Lilly Endowment Community Scholarships.

“These scholarships are another example of the many donors in our caring community and the value they place on education. In these extraordinary days, this tradition of giving is especially meaningful, given the challenges and the sacrifices so many of the graduating seniors will make this year. Although they may not have a graduation ceremony, they can know the community continues to support and reward their hard work.”

Scholarship Chair, Community Foundation of Howard County
