Lilly Endowment Community Scholarships

The Community Foundation of Howard County is pleased to honor the recipients of the 2010 Lilly Endowment Community Scholarship. Thanks to the generosity of Lilly Endowment, two Howard County students will receive full-tuition scholarships, required fees, and a special allocation of up to \$800 per year for required books and equipment for four years of undergraduate study at any Indiana public or private college or university. The recipients are **Shelby Beasley** and **Stephen Chou**.

Shelby Beasley, daughter of Charles and Pamela Beasley, is a 2010 graduate of Eastern High School. Shelby plans to study psychology at DePauw University. When asked her reaction to winning the scholarship Shelby said, "I was elated. I nearly had an aneurysm, I was so excited. The first words out of my mouth were praise God. I ran down the stairs and hugged my mom and said that college was paid for." While at Eastern High School, Shelby was first chair violin in orchestra and captain of the Academic Bowl Team. She also participated in Spell Bowl, youth group, Spanish Club and was on the Robotics Team. Shelby is a member of the Eastern Academic Hall of Fame, is an academic honor student and a Trig Star winner.

Stephen Chou, son of Thomas and Nellie Chou, is a 2010 graduate of Northwestern High School. He will be attending Taylor University studying mathematics education. Stephen was excited to learn that he was selected to receive the Lilly Scholarship. "When I opened the envelope and saw my name, I was speechless and almost dropped the letter," he said. "Then I ran through the house screaming, but no one else was home." While at Northwestern High School, Stephen was a member of Drama Club, Concert Choir, Student Council, National Honor Society, Science Club and the International Thespian Society. He also participated in track, wrestling, tennis, swimming and diving. While participating in Boy Scouts, Stephen achieved the prestigious rank of Eagle Scout.

This is the thirteenth year that the Endowment has funded the Lilly Endowment Community Scholars program for outstanding students in Indiana. The Community Foundation defined the criteria based on the Endowment's stated goal to "raise the level of educational attainment in Indiana." The criteria used in the selection process included: academic achievement, financial need, potential for success, preference for first-generation college attendees, school, community, and work activities. "There were 69 Howard County residents who applied for the scholarship," said Glenn Grundmann, Chairman of the Lilly Scholarship Selection Committee of the Community Foundation.

I hereby give, devise, and bequeath to the Community Foundation of Howard County Inc., a nonprofit corporation in Indiana, ____ percent (%) of the rest, residue, and remainder of my estate for the unrestricted benefit of the Community Foundation of Howard County.

If you wish to have your bequest used to establish a named fund within the Community Foundation of Howard County or to go into an existing fund, please let us know so that we can honor your wishes.

Scholarship Program Gifting

Scholarship programs need your support. Invest in the youth of our county through a gift to a scholarship fund.

While there are many scholarships listed in this newsletter, each year we have to say no to many worthy students who need assistance, simply because we do not have enough money in our scholarship funds. In addition to increasing the number of scholarships available, we have a critical need to be able to increase the monetary value of many

of the awards to keep up with the inflation of college costs. Many students have a need for financial support beyond the freshman year, but most of our awards are not renewable. Your help is needed!

To make a tax deductible contribution to one of the scholarship funds listed in this brochure or to the Community Foundation
