2022 Lilly Scholarship Winners

Isaac Elkin, son of Matt and Hillarie Elkin, and Megan York, daughter of John York and Ann Cronkhite, will receive four-year full tuition, required fees and a special allocation of up to \$900 per year for required books and equipment as Howard County's 2022 Lilly Endowment Community Scholars.

Isaac was the captain of the Dive Team and a member of the Swim Team and Tennis Team at Kokomo High School. In diving, Isaac is a two-time conference diving champion. As a member of the Track and Field Team, he participated in hurdles, middle distance and pole vault. Isaac participated in cross country for four years and was senior year co-captain. During the summer, he participates in baseball. Isaac also is a member of Boys Legion, National Honor Society, Student Council, 4-H and Boy Scouts of America. Isaac plans to attend Taylor University to study computer science.

Megan's accomplishments at Northwestern High School include being selected as Outstanding 2D Art Student, being on the All-A Honor Roll, a Level 3 semi-finalist for the Indiana State Library Letters About Literature, and being named Most Outstanding Freshman Math Student. Megan was a member of the Spanish Honor Society, volunteers with the CAM for Hope organization, and was a three-sport athlete, playing on the volleyball, basketball and softball teams. She plans to attend Butler University to study business and finance.

"Lilly Endowment Community Scholarship applicants really exemplify the quality and abilities of Howard County students," said Joe Dunbar, chairman of the Community Foundation of Howard County Scholarship Committee. "The scholarship also encourages them to remain in Indiana and participate in the communities where they reside. The Endowment utilizes the Community Foundation to administer the program as a way to emphasize the value of education and to support Indiana's community foundations."

Since 1998, Lilly Endowment has funded the Community Scholars program for outstanding students in Indiana. The Community Foundation defined the criteria based on the Endowment's stated goal to "raise the level of educational attainment in Indiana."

2022 Lilly Scholarship Winner

Frankfort High School student Lizbeth Contreras is the Clinton County Community Foundation 2022 Lilly Endowment Community Scholar.

She will receive full tuition, plus required fees and a special allocation of up to \$900 per year for required books and equipment for four years of undergraduate study on a full-time basis leading to a baccalaureate degree at any eligible Indiana public or private nonprofit college or university.

Lizbeth is the daughter of Jose J. Contreras Ortiz and Irma Espinoza Ruiz.

She took part in activities ranging from the school Orchestra (solo and ensemble) to being on the Youth/Junior Board of the Clinton County Humane Society. Lizbeth is an active volunteer in both school and area service programs for the local Hispanic/Latino community. Plus, as a member of the National Honor Society, she also competed in the Science Olympiad.

Lizbeth plans to study health at Purdue University.

“Lilly Endowment Community Scholarship applicants really exemplify the quality and abilities of Clinton County students,” said Alicia Albertson, chair of the Clinton County Community Foundation Services Committee. “The scholarship also encourages them to remain in Indiana and participate in the communities where they reside. The Endowment utilizes the Community Foundation to administer the program as a way to emphasize the value of education and to support Indiana’s community foundations.”

The selection criteria identified by the Clinton County Community Foundation included academic achievement; school, community and work activities; essay; financial need; potential for success; and an interview. Thirty-two Clinton County students applied for the scholarship. A committee of volunteers evaluated the applications and selected four finalists who were interviewed by the Clinton County Community Foundation Services Committee.
