CARROLL COUNTY: Ella Hudson

CLINTON COUNTY: Lexus Foust

HOWARD COUNTY: Alexander Arnold and Janna Wilson

Ella Hudson from Delphi Community High School is the *Carroll County Community Foundation* 2023 Lilly Endowment Inc. Community Scholar.

Ella, daughter of Micah and Jennifer Hudson, was a member of the varsity soccer team and an assistant coach for the middle school youth soccer league.

She was a member of the National Honor Society, student council, and active in the theater program.

In the community, Ella is in 4-H, a Junior Rotarian with the Interact Club, and volunteers regularly with Food Finders Food Bank.

Ella plans to attend Indiana Wesleyan University to study elementary and special education.

The Foundation recognized the achievements of the other four finalists with \$1,000 scholarships. They are Anna Goodrich and Johnna Kinzie of Carroll Senior High School, and Caitlyn Snaveley and Maguire Thompson from Delphi Community High School.

Frankfort High School student **Lexus Foust** is the *Clinton County Community Foundation* 2023 Lilly Endowment Inc. Community Scholar. Foust is the daughter of Michael and Amber Foust.

A varsity cheerleader and president of the National Honor Society, Foust competed in the Purdue Regional Science Fair, advancing to the international level once and the state level three times. She was a Hugh O'Brien Youth Leadership Conference representative for her school. Lexus mentors children at the local Boys and Girls Club, volunteers with a children services group, and works part time in food service.

Lexus plans to attend Purdue University to study neuro-biology.

The Foundation recognized the achievements of the other four finalists with \$1,000 renewable scholarships. They are Lillian Cline, Clinton Central High School; Trey Haynes and Erika Stephenson of Frankfort High School; and Lillian Sharp, Rossville High School.

Two Northwestern High School students are the 2023 *Community Foundation of Howard County Lilly Endowment Inc. Community Scholars*.

Alexander Arnold, son of Shirley Arnold, and **Janna Wilson**, daughter of Billy and Jill Wilson, will receive the Lilly Endowment Community Scholarship.

About Alexander Arnold

This Northwestern High School student hopes to apply a passion for computer science to a career where he can make a difference in health network technology. Alexander has been involved in German Club at school, and, in the community, he volunteers at Goodwill and works part time in food service and for a home remodeling business. Alexander plans to attend Butler University to major in pharmacology.

About Janna Wilson

When she was not playing trumpet in the Northwestern High School marching band, Janna served as team captain of the CyberTooth 3940 Robotics Team. She also served as a board member to the FIRST Indiana Robotics Student Board of Directors, helping to solve problems in the robotics community. Janna hopes to continue working with robotics and she plans to attend Trine University to major in mechanical engineering.

The Foundation recognized the accomplishments of the other finalists with \$1,500 scholarships. They are Ava Cothorn, Sophia Justice, Amanda Silver, and Noah Thompson from Kokomo High School, and Allison DeYoung from Eastern High School.

Lilly Endowment Community Scholars are known for their community involvement, academic achievement, character and leadership, and all applicants exemplify the quality and abilities of Howard, Clinton and Carroll County students. The scholarship also encourages them to remain in Indiana and participate in the communities where they reside. The Endowment utilizes the Community Foundation to administer the program as a way to emphasize the value of education and to support Indiana's community foundations.

Each Lilly Endowment Community Scholarship provides for full tuition, required fees and a special allocation of up to \$900 per year for required books and required equipment for four years of undergraduate study on a full-time basis leading to a baccalaureate degree at any eligible Indiana public or private nonprofit college or university. Lilly Endowment Community Scholars may also participate in the Lilly Scholars Network (LSN), which connects scholars with resources and opportunities to be active leaders on their campuses and in their communities. Both the scholarship program and LSN are supported by grants from Lilly Endowment to Independent Colleges of Indiana (ICI).

About Lilly Endowment Inc.

Lilly Endowment Inc. is an Indianapolis-based private philanthropic foundation created in 1937 by J.K. Lilly Sr. and his sons Eli and J.K. Jr. through gifts of stock in their pharmaceutical business, Eli Lilly and Company. Although the gifts of stock remain a financial bedrock of the Endowment, it is a separate entity from the company, with a distinct governing board, staff and location. In keeping with the founders' wishes, the Endowment supports the causes of community development, education and religion. The Endowment funds significant programs throughout the United States, especially in the field of religion. However, it maintains a special commitment to its founders' hometown, Indianapolis, and home state, Indiana.

About ICI

Since 1997, Independent Colleges of Indiana has administered the Lilly Endowment Community Scholarship Program statewide with funding provided by Lilly Endowment. Founded in 1948, ICI serves as the collective voice for the state's 29 private, nonprofit colleges and universities. ICI institutions employ over 22,000 Hoosiers and generate a total local economic impact of over \$5 billion annually. Students at ICI colleges have Indiana's highest four-year, on-time graduation rates, and ICI institutions produce 30 percent of Indiana's bachelor's degrees while enrolling 20 percent of its undergraduates.
